Vinification

EA rose is a blend of Syrah, Touriga Nacional, Alfrocheiro and Castelão, planted in the Eugénio de Almeida Foundation vineyards. When the grapes reach the right point of maturation they are carefully picked and brought to the winery. Following the harvest the grapes are de-stalked, lightly crushed and undergo a short period of maceration, pressing and clarification of the must. Fermentation is at 16°C in stainless steel vats and thereafter the wine is filtered and stabilized ready for drinking.
